Diagnostic Imaging Notes on scheduling and appointment lag delays

Some timeframes will look skewed due to being annual screenings or follow ups that need to be pushed out past a certain date.

PT/OT DEPARTMENTS	% Schedule within 3 days of receipt of referral	% Seen within 1 wk of schedule date	% Seen within 2 wks of schedule date	% Seen within 1 month of schedule date	% Seen within 3 months of schedule date	% Seen within 6 months of schedule date	Quantity
SPRINGFIELD	75%	12%	4%	11%	74%	0%	113
BELLOWS FALLS	77%	0%	30%	63%	7%	0%	30
MVPT/LUDLOW	90%	10%	0%	0%	60%	30%	20

PT/OT Notes on scheduling and appointment lag delays

Any appointments scheduled outside of 3 days of referral were due to multiple attempts made to the patient before they returned the phone call.
